Chapter

Volunteering Talent-

1.1 Goals

- To highlight the importance of volunteering
- To enhance and promote the spirit of volunteering
- To emphasize the importance of volunteering for Saudi students during their scholarship journey, thus positively imaging the quality and culture of Saudi people
- To emphasize the role of Saudi students as ambassadors for their religion and country through volunteering within the Australian community
- To promote volunteering as a religious value that enhances self-confidence, turns inner energies into action, develops skills and paves the way toward advancement.

1.2 *Conditions of Participation*

Eligible participant must:

- be a scholarship student or a companion in Australia
- have an experience of volunteering in Australia
- submit evidence of volunteering from an Australian entity.

1.3 *Process*

- The competition will progress through four stages (Registration, Filming, Voting, and Closing Ceremony)
- Registration: eligible participants shall apply for the competition via this link. The application shall include personal information of the participant (name, contact details, evidence of volunteering experience in Australia).
- Filming: after completing the registration process, the competition supervisor will send an email to the accepted participants explaining the filming process.
- Voting: all scholarship students and their companions in Australia (regardless of age) shall have the right to vote only once. The system will automatically delete the repeated votes. Just the first vote will count for each category.
- Closing Ceremony: the competition will conclude with the announcement of winners at the closing ceremony.
